

IT'S TIME FOR OUR COMMUNITY WIDE

**Saturday, October 13th
7:00am – 1:00pm**

Clean out the garage, attic, closets, and storage shed! Who knows what treasures lurk in the dark corners of our homes...

On the day of the yard sale, simply place balloons or ribbons on your mailbox or a sign in your yard (please remember to remove them immediately following the sale).

We will post our sale on Nextdoor for other neighborhoods to see. Feel free to post to other platforms that you trust. We will place a large sign at the corner of Sam Furr Rd. and Northcross Dr. and additional signs in the community.

Please setup on time or shoppers might put our community on the “do not support list” **Tip: Arrange everything in your garage the night before. If you need to set up on a driveway or yard, have everything near the door so you can set it up quickly the next morning.**
